

Welcome to Nursery!

I am Mrs Hulme, your new teacher. I'm so excited to meet you all!

In Nursery we have lots of fun indoor and outdoor! Our classroom is full of laughter and surprise!

We do lots of singing and dancing and have lots of different toys to play and learn with.

I hope you will love your new classroom as much as I do!

Here are some of my favourite things! I am looking forward to learning about yours too!
