Dear Parent/Carer,

We are very excited to announce that a new TTRockstars competition begins on the 11th January ...

The St Bart's Trust Top of The Rocks League Competition!!

15 schools in our trust will be battling it out to find the most dedicated TTRS school, class and pupils. Do you think Longford Academy has what it takes?

Each week, pupils in years 2- 6 will work as team to compete against another school by answering as many questions as possible online via play.ttrockstars.com. All game modes (Gig, Garage, Studio, etc.) will count, so your child just needs to log in and play in any area to compete! Only points earned between 8am and 7pm will be counted. For every correct answer to a multiplication or division question, your child will earn themselves and the school a point. The Times Tables Rock Stars platform will calculate the school average (the number of correct answers per pupil in the school who play during the competition hours). Winning schools will be the ones with the highest average.

For every game won, the school will earn 3 points and the score totals will be added up. Keep a look out on our Twitter and facebook page for the league table results and follow #StBartsRocks for the latest competition news. There are stickers, certificates and trophies up for grabs!

To ensure success we need your help. Please encourage and support your child to take part in the competition. Good luck and remember to keep ROCKin'!

Mrs Gittus
Maths Co-ordinator
